

## **USA SWIMMING MEMBERSHIP INFORMATION**

### *Swimmers with a current or prior USA Swimming Membership:*

- All swimmers must create an account in the new portal and a new member ID will be created.
- Here is the [SVS club link](#) to create your new account. Please note:
  - Teenaged swimmers can create their own account and parents can create a separate account and link to their swimmer's account.
  - Please follow the instructions in the How-to links (on the sign-in page) when creating your account.
  - To get your swimmer's new member ID, please follow the instructions in the USA Swimming portal. If for some reason, you do not receive the USA Swimming email with the new ID number, please email us at [info.svstingrays@gmail.com](mailto:info.svstingrays@gmail.com) so we can look up your new ID number.
  - If your swimmer's membership is valid through the end of 2023, you do not have to do anything else. However, when you renew their membership for 2024, you will now do so via the portal or app. The app is called 'USA Swimming' and can be found on Google Play or the Apple App Store.
  - If your swimmer's membership lapsed, please select one of the following membership options once you've created the new account. The Full Calendar Year Athlete membership is \$87 and will be valid from September 1, 2023 – August 31, 2024.

### *New Swimmers with no prior USA Swimming Membership:*

- USA Swimming Membership is only required for swimmers who want to swim in competitive swim meets because they must have a USA Swimming ID number. Registration is online using our [SVS club link](#).
  - Full calendar year membership: \$87
- There are Help videos and articles to walk you through the process:
  - [How to create an Account as a Parent - VIDEO](#)
  - [USA Swimming Member Registration Resources](#)
